

i want to serve!

student volunteer guidelines

Welcome to **flood**! We are glad that you decided to come out and serve with us and hope that you have a great time and continue to get involved. We have a few things we need you to keep in mind as you serve. If you have any questions, just ask us! Thanks for serving with **flood**.

- Make sure you have a multiple event release form on file. They are good for a year and can be gotten from a Student Leader or off the website.
- Don't bring anything of value to the project.
- Make sure you sign-in and get a name tag.
- If you aren't sure what to do -ASK someone!
- We are here to serve. **flood** has the right to ask any student to leave for inappropriate and/or disruptive behavior.
- Play it safe and always travel in pairs!
- Let someone know if you have a medical condition we need to know about.
- Always speak to staff and other volunteers at the project site.
- Always say good-bye to staff and other volunteers at the project site.
- Leave the site cleaner than when you left it.
- Make sure you have fun!

**flood exists to provide local mission opportunities
